

28-month lease pay only \$99⁰⁰/month

Benefits of the RxLabelReader System

- Minimize data entry and manual transcribing errors
- Significantly reduce caregiver's medication intake time with patient
- Uploads encrypted images and data to MedyCloud database server software*
- 24/7 availability results in better wellness outcomes and a reduction in hospital readmissions
- Lowers costs, improves productivity, increases accuracy and reduces legal exposure for healthcare professionals
- HIPAA compliant

*Includes MedyCloud service on Meditory server. Contact us to purchase MedyCloud server software license for your own in-house use.

Benefits of a bundled lease option through LCA

- Eliminate up-front costs and large capital expenditure
- Write one monthly check for everything
- Conserve your working capital
- Simple application and approval process, including online option
- ROI begins paying for your solution through continued use
